2. The Society is established for the purpose of improving stock by the distribution of Premiums, for such other competitions and exhibitions as the Committee may from time to time resolve, and generally for encouraging Agricultural improvements of every description.
3. The Society shall hold an Annual Show for the exhibition of stock and for other exhibitions and competitions, including home produce, handicrafts and horticulture, and shall award Premiums and other prizes in respect of such exhibitions and competitions. The Annual Show shall be held a fortnight prior to the first Tuesday in September, at Hawkshead.
4. The Society shall have a Committee, a President, President-Elect, Vice-Presidents, and ordinary Members. The Officers of the Society shall be a Chairman, a Vice-Chairman, a Treasurer and a Secretary, each of whom shall be a member of the Committee. The President and the President-Elect shall be ex-officio members of the Committee. There may also be elected to the Committee such number of other persons (being Members of the Society) as the Members of the Society may from time to time resolve. Members of the Committee shall be elected at the Annual General Meeting of the Society and shall hold office until the close of business at the next following Annual General Meeting, but shall be eligible for re-election for successive terms of office.
5. Save as otherwise provided in these Rules, the conduct of the affairs of the Society shall be in the hands of the Committee, who may meet together for the despatch of business, adjourn, and otherwise regulate their meetings, as they think fit. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes, the Chairman of the meeting shall have a second or casting vote. Unless and until otherwise resolved by the Committee, the quorum of the Committee shall be ten.
6. The Committee may delegate any of its powers to sub-committees consisting of such member or members of its body (and such other persons) as the Committee may from time to time resolve, provided that a majority of the members and the Chairman of every sub-committee shall be members of the Committee. Any sub-committee so formed shall in the exercise of the powers so delegated conform to any regulations that may be imposed on it by the Committee.
7. Subject to the provisions of Rules 24 and 30, any person who subscribes to the funds of the Society the sum of £5.00 (or such other sum as may from time to time be resolved by the Society in general meeting) shall become a Member of the Society and a Vice-President of the Society. A Vice-President shall have no duties or obligations beyond those of an ordinary member.
8. Subject to the provisions of Rules 24 and 30, every person who subscribes to the funds of the Society the sum of £5.00 (or such other minimum sum as may from time to time be resolved by the Society in general meeting) or more shall become a Member of the Society. Membership shall be on an annual basis, and the membership year shall run from 1st April to 31st March. No person shall be eligible to be elected as, or shall remain, a member of the Committee unless he or she is also a current Member of the Society; but this restriction shall not apply to the Treasurer or Secretary, who need not be Members of the Society.
9. Every Member of the Society who subscribes to the funds of the Society, the minimum sum referred to in Rule 8 shall be entitled to one ticket of admission to the Annual Show, and shall be entitled to a second ticket (but no more) upon subscription of twice such minimum sum (or any greater amount).
10. The Society shall hold an Annual General Meeting in November every year. The business of the meeting shall comprise the consideration of the Accounts of the Society and the reports of the Chairman and Treasurer, the election of officers and other members of the Committee, and any other business of which notice shall have been given to the Members. Not less than fourteen day's notice (excluding the date of the notice and the date of the meeting) shall be given to convene the Annual General Meeting and other general meetings of the Members.
11. No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business. Ten members present in person shall be a quorum. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by any two members present in person. On the occasion of a vote being taken on any resolution, every Member present in person shall, on a show of hands or on a poll, have one vote. No proxy voting is permitted. No alteration to the Rules of the Society may be made save by a resolution of the Members which has been duly proposed and seconded at the Annual General Meeting.

To full panel of judges shall take part in the judging in Championship Classes.

20. The Society shall not be responsible for any loss under any circumstances of any Stock or Trade Stand or goods or wares exhibited or for any loss or accident which may occur to or through any Stock or Trade Stand or goods or wares exhibited or from any cause whatever, and it shall be a condition of entry that each exhibitor and competitor shall hold the Society free from liability in respect of any loss or accident; and indemnify it against any legal proceeding arising from any such loss or accident. All trade stands are required to complete and return a Society's Risk assessment form, this shall be condition of entry and they must provide a copy of their current Public Liability Insurance which may be asked to be shown on the day.
21. Exhibits not fulfilling these requirements shall be disqualified, and any Premium or Prize won forfeited.
22. All entries must be in writing and submitted to the Secretary not later than such date as shall be decided each year by the Committee. Printed entry forms may be obtained from the Secretary. Acceptance of late entries will be at the discretion of the Committee and will, in any event, be accepted only upon payment of such further fee for each entry as the Committee may agree from year to year.
