RULES OF THE SOCIETY

1. The Hawkshead Agricultural Society shall hold an Annual Show a fortnight prior to the first Tuesday in September, for the exhibition of stock, home produce, handicrafts and horticulture, and shall award premiums and prizes in respect of such exhibitions and competitions.
2. The Show shall be organised by a Committee, which may then delegate its powers to sub-committees, and such sub-committees will conform with any regulations that may be imposed by the Committee. The Annual Show shall also include a Horticultural and Home Crafts Section to be managed by a separate Committee.
3. The Committee shall appoint competent individuals as Judges, to determine upon the merits of the different animals and other exhibits brought into competition, who are to give their judgement accordingly. The full panel of Judges shall take part in the judging in Championship Classes.
4. A Judge may not place in a class a pony, which to their knowledge has been bred, sold, leased or produced by the Judge or their immediate family/employer, nor may they place a pony in which they have a financial interest, nor may they place an entire male by whom they have had a mare stunted in that season. Should a situation arise when such a pony appears a referee (preferably on the appropriate panel of Judges) will be appointed by the Secretary to place the pony in its class.
5. Judges will select a reserve exhibit to take the prize, should the prize become forfeited by the winning animal.
6. The Committee may withhold prizes where it appears that exhibits do not show sufficient merit, and may award additional prizes where there appears great merit, even though there may only be one competitor. The Committee may make changes to the distribution of prizes from time to time, as it sees fit.
7. Every exhibitor shall, on making their entry for any prize in which the age of the animal is material, state its age in months, or in years and months calculated as at the date of the Show, otherwise it will not be allowed to compete.
8. Should any candidate for prize be detected attempting to impose on the Society they shall forfeit such prize and be expelled from the Society.
9. Prizes will be distributed on the Show Day itself.

10. Trophy winners shall be responsible for the engraving of such trophies.
11. Any person entering a protest against a prize-winner shall lodge the sum of Five Pounds with the Secretary at the time of entering the protest, and this sum shall be forfeited to the Society in the event of the Committee deciding that such protest is frivolous. Every protest must be made in writing within seven days of the time of award, except a dispute as to the height of any horse exhibited, when the protest must be entered with the Secretary on the day of the Show. In the event of any dispute as to the height of any horse exhibited the same shall be measured with its shoes on. The decision of the Committee shall be final in all cases.
12. All stock entered for competition must be the bona fide property of, and have belonged to the exhibitor, for a period of not less than 3 calendar months immediately prior to the date of exhibition. Any person infringing this rule renders themselves liable to prosecution for attempting to obtain money by false pretences.
13. No animal having won first prize shall be allowed to compete again at the same Annual Show except for Best Male or Female on the ground, or the Special Prize.
14. Before it is shown, every animal must have a card affixed to it, bearing the number allotted to it by the Committee, otherwise it will not be allowed to compete.
15. If an exhibitor, or other person having charge of the exhibitor's animal(s), refuses to obey the directions of a Committee member, those animals shall be disqualified from competing, or having been awarded a prize shall be liable to forfeit it in favour of the animal next in order of merit.
16. The Society shall not be responsible for any loss or damage (under any circumstances) to livestock, goods or wares exhibited, assets of the exhibitor, injury to the exhibitors themselves or those accompanying the exhibitors, or for any loss or accident which may occur from any cause whatever; and it shall be a condition of entry that each exhibitor and competitor shall hold the Society free from liability in respect of any loss or accident whatsoever; and to indemnify it against any legal proceeding arising from any such loss, damage or accident.
17. All trade stands are required to complete and return a Society's Risk assessment form, this shall be condition of entry and they must provide a copy of their current Public Liability Insurance which may be asked to be shown on the day.
18. All entries must be in writing and submitted to the Secretary not later

- than such date as shall be decided each year by the Committee. Printed entry forms may be obtained from the Secretary. Acceptance of late entries will be at the discretion of the Committee and will, in any event, be accepted only upon payment of such further fee for each entry as the Committee may agree from year to year.
19. All exhibitors shall be allotted judging areas at an appointed time, where they must remain until judging has been completed and prizes awarded. Exhibits failing to do so shall be disqualified, and any prize won forfeited. Every animal which has been awarded a prize ticket shall wear it until it leaves the field, otherwise the prize will be forfeited.
 20. No stock shall be taken off the field until after the Grand Parade. The Secretary and Steward shall have the discretionary powers to allow animals to leave the field under exceptional circumstances.
 21. There must be no colts or entire males in Young handler classes. Children under 14 years old may not show colts (excluding foals) or entire males in In hand classes. Children under 11 years may not show entire males in ridden classes. Hard hats must be worn by all handlers aged 14 years or under in In hand classes.
 22. Foals will not be admitted unless led with a halter.
 23. Fells & Shetlands classes must be confined to registered ponies. Ponies must be named on the entry form and in the catalogue. Society rosettes will only be given to ponies registered with the Society or eligible for registration (i.e. foals).

 25. Stallions aged four years or over must hold either a Shetland Pony Stud-Book Society license or a Ministry of Agriculture License.
 26. In the interest of safety hard hats must be worn by all exhibitors, irrespective of age in ridden classes. If a rider falls off at any time whilst in the ring, both pony and rider must leave the ring, rider dismounted and take no further part. Whilst back protectors are not compulsory, we do advise the wearing of these, particularly in Show Jumping classes.
 27. Anyone exercising a horse or pony at any time must be correctly dressed and wearing a riding hat to the latest acceptable standards. If not, they will be disqualified from competing.
